

Connecticut Pistol Permit Course

A Connecticut Pistol Permit is required by law to carry and purchase handguns in the state of Connecticut.

Thank you for your interest in the Connecticut Pistol Permit Safety Course. We provide a basic firearms training program that introduces law abiding adults to the sport of shooting. We have created a safe, friendly and fun environment for you to learn in. We are NRA Certified Instructors and class sizes are small so that you will have a successful and positive experience. No experience is necessary for this course. Our main goal is to produce capable, qualified, and safe students. The training requirements for this course are outlined below. Please print and save this information for your future review. You will also find the Course Registration Form at the bottom of this attachment.

Connecticut Pistol Permit/NRA Basic Pistol Course

This is a **one** day safety training course that meets and exceeds the State of Connecticut requirement for pistol permit application. The course fee is **\$125.00 per person** and includes use of firearms, ammunition, eye and ear protection and all training materials. The course runs from 9:30 am to approximately 5:30pm.

This course consists of six hours of classroom training involving safe gun handling and basic firearms discussion. The student should ask questions and also expect to handle real handguns throughout the day.

Opportunity will be available for gaining familiarity with both revolver and semi-automatic pistols. The classroom portion also includes a multiple choice, true/false exam that is open book. Live fire experience will take place immediately after at local indoor range.

Course Requirements:
